

Paneles Backlight

Backlight Panels

GARANTÍA 3 AÑOS
3 YEARS WARRANTY

DESCRIPCIÓN · DESCRIPTION

Paneles LED Serie Backlight disponibles en varios tamaños (60x60, 120x30, 120x60), potencias (40W y 60W) y temperaturas de color (4000K y 6000K). Además, los paneles de 60x60 están disponibles con UGR<19 y en versión regulable por Dali o 1-10V. **Libres de flicker.** La serie Backlight destaca gracias a su construcción por capas y la distribución cuidadosa de lentes ópticas sobre cada uno de los chips de LED en su PCB de aluminio, lo que evita el deterioro del difusor con el paso del tiempo. De esta forma, los paneles Backlight mantienen la distribución de la luz y el tono de blanco intactos durante mucho más tiempo.

*Backlight Series LED panels available in various sizes (60x60, 120x30, 120x60), powers (40W and 60W) and color temperatures (4000K and 6000K). In addition, the 60x60 panels are available with UGR<19 and in a version dimmable by Dali or 1-10V. **Flicker free.** The Backlight series stands out thanks to its layered construction and the careful distribution of optical lenses over each of the LED chips on its aluminum PCB, which prevents deterioration of the diffuser over time. In this way, Backlight panels keep the distribution of light and the white tone intact for much longer.*
